MAKING JESUS NON-IGNORABLE

## *Welcome*

We are so happy you have decided to join us this morning. Our purpose at Calvary Restoration is to make Jesus non-ignorable while making joyful, passionate, disciples! We hope you encounter Jesus in a new and powerful way this morning!

## Connection Card

One of the best ways to get connected is to fill out The Connection Card and place it in the offering box at the front of the sanctuary. One of our pastors or leaders would love the opportunity to get to know you and answer any questions you may have about Jesus, faith, or our church. We'll gladly treat you to lunch or coffee.

## Prayer Requests

If you have a prayer request, fill out the prayer section on the Connection Card and drop it in the offering box. The elders and staff will diligently be praying for your needs.

## *Nursery*

We are currently offering nursery on Sunday mornings for children 0-4 years old. Our nursery workers have all had background checks and have been trained by our nursery leaders. Check your child in at the iPad near the welcome table. For more info email [restorationkids@thecalvary.org](mailto:restorationkids@thecalvary.org).

## *Online Giving*

Whether you are looking to make a single gift or a recurring gift, the easiest and safest way is through online giving. Visit our website [restoration.thecalvary.org](http://restoration.thecalvary.org) and click the giving tab. We don't give under compulsion, but as an act of gratitude and trust in God.

## *April Highlight*

Spring is here! Unless of course here is the east coast or the midwest. Good thing it's not! One awesome thing about spring is it turns into summer. Another awesome thing is that people start to get outside more, hang out, go to the park, and enjoy that amazing (and toasty) Colorado sun.

This is exactly what we want to do at Calvary Restoration. Coming up this summer we are going to do something called Summer Connect. Summer Connect is where different people from our church body will be hosting different activities. Some might host a grill out, a camping trip, Faith Day at the Rockies game or some crazy sand volleyball.

The two main reasons we believe Summer Connect is important are:

1. It will help us continue to connect with one another authentically. We want to continue to get to know each other, love on each other and grow as a family.
2. It presents an opportunity to go show and tell the gospel boldly. One of the most impactful ways to share the love of Jesus is through genuine relationships. We want the Summer Connect activities to be a time where we can invite our friends, families, and neighbors to come and have real and authentic fellowship. Who knows what the Lord will do with the new relationships that will be formed, but we can trust that His plans are greater than anything we could ever think up!
